**ADDENDUM TO JOURNAL
OFFICE OF LEGISLATIVE COUNSEL**

Tuesday - 6 April 1965

25X1
1. Jim Gehrig called to see if the briefing of Senators Anderson, Margaret Chase Smith and Symington on the Soviet space program could be held on Friday, April 9, at 10:30 a. m.

After checking with Dr. Wheelon, Mr. Gehrig was advised this was satisfactory from our viewpoint and he, in the meantime, is trying to arrange for the same time a briefing which had been requested from Dr. McMillan on certain special situations in which the Agency is interested.
